## Kirby™ Mass Attack

Side-Scrolling, Real-Time Strategy

**$29.99** msrp*

☐ I Want This

Everyone: Comic Mischief, Mild Cartoon Violence

One day, an evildoer with a magic cane appears and splits Kirby™ into 10 pieces. Kirby sets off on a journey to return to his original form. Players use the touch screen to control a mass of Kirby characters in a new and novel way. Swipe the touch screen to launch them in a mass attack against enemies, then tap the enemies into submission.

## Fossil Fighters™: Champions

RPG

**$29.99** msrp*

☐ I Want This

Everyone: Crude Humor, Mild Fantasy Violence

In this dino-tastic adventure, players get some hands-on time to hunt and clean fossils, and revive and battle vivosaurs. A fossil park is hosting a large-scale tournament in which competitors enter vivosaurs created from dinosaur fossils into competition. Fossil Fighters from all over the world battle their vivosaurs against one another to find out who will be crowned champion.

## Professor Layton and the Last Specter™

Puzzle, Adventure

**$29.99** msrp*

☐ I Want This

Everyone 10 and Older: Alcohol Reference, Mild Suggestive Themes, Mild Violence, Simulated Gambling

This fourth installment of the Professor Layton puzzle adventure series begins a new trilogy that is a prequel to the original games. Players move the mysterious story forward by solving a multitude of brainteasers, riddles and conundrums. This game contains more puzzles than any in the series so far.

## Pokémon™ Black Version/ Pokémon™ White Version

RPG, Adventure

**$34.99** msrp*

☐ I Want This

Everyone: Comic Mischief, Mild Cartoon Violence

Pokémon Black Version & Pokémon White Version invite new and old Pokémon fans to encounter over 150 never-before-seen Pokémon while exploring the Unova region. With towering cities, river-spanning bridges, changing seasons, and more, the Unova region is unlike anything ever seen in a Pokémon game!

## Dragon Quest Monsters: Joker™ 2

RPG

**$34.99** msrp*

☐ I Want This

Everyone: Fantasy Violence, Mild Language, Mild Suggestive Themes

As Monster Scouts, players can recruit wild monsters to build a team and battle against other players in this turn-based, role-playing game. Players crash-land on a mysterious island after their airship is struck by lightning and must rescue their missing passengers and crew members by fighting various enemies using their own monster parties. Players can battle their monster teams against one another using a local wireless connection or they can connect to Nintendo® Wi-Fi Connection to battle against other players.**
